

THE BOOK OF THE DAWN

Page 7 from my Artists Book Limited Edition 2005 (Cat No 631)
An engagement with Philip Jackson's sculpture Nun's Story exhibited in West Dean College Gardens West Sussex May 2005. I gave the book some young ginkgo leaves torn off in a gale from a tree nearby; a fly obliged with the conceit: *tempus fugit*. The book consists of 10 of my photographs each facing a concrete poem. The text opposite this photo : THREE TREE. Copy No 8 given to the sculptor. Copyright Paula Claire 2005
